

Sashiko

Centuries of hand-stitched tradition. The first household sewing machine of its kind.

FOR THE LOVE OF SEWING

The Sashiko Machine can make all of your creativity come to life!

Precise Sashiko Stitches

A specialty needle working in conjunction with a latch wire system forms defined stitches and precise spacing to create a true hand-stitched look.

Free-Flow Sewing

The adjustable presser foot height allows ease of turning fabric, stitching circles, squares and other shapes for complete control.

U-Shaped Fluorescent Lamp

The entire needle area is surrounded by a lighting system for maximum illumination.

LED Monitor

This unique system allows you to easily recognize when the needle is creating a stitch or a space.

Sashiko Table

Add a world of extra sewing space to your machine with this optional 18" x 24" extension table.

Sashiko Machine Cover

Protect your machine from dust and store it in style with this optional attractive canvas machine cover.

Introducing the Sashiko Machine

The look of traditional hand-stitches passed down through generations can now be created on the new Sashiko Machine from Baby Lock. The Sashiko perfectly replicates this distinctive and celebrated stitch with a unique needle system and adjustable stitches and spacing. Now you can add a hand-stitched touch to any project with a household machine that's truly the first of its kind.

For the Love of Sewing.

Bobbin System

The side loading, oscillating bobbin system is conveniently placed for fast and easy loading.

Stitch Length Control

Create short or long stitches ranging from 2mm to 5mm using the adjustable lever.

Accessory Storage Space

Conveniently store and organize all of the included accessories in the built-in tray.

Bobbin Winder

Easily prepare multiple bobbins for projects by winding each one on the built-in bobbin winder.

Stitch Spacing Control

Create short or long spaces with adjustable spacing from 2mm to 5mm.
